Garden Center & Greenhouse opening about April 24. Call or email for exact date

We will have a Garden Center for the first time this year where we will have a large selection of Seed Packets as well as Bulk Seeds including corn, green beans, cucumbers, herbs, and zucchini. In addition to the seeds we will have a large selection of plants, both vegetable and flowers, in flats and as individual plants. All of our plants are grown with organic practices. We have prices of a big box store; quality and selection of a designer greenhouse. Stop by our farm and compare.
